MEMO

Date: 09 OCT 2025

Sub: Installation of Online Continuous Effluent Monitoring System (OCEMS) to the sewage treatment plants (STPs) operating at construction projects -Residential apartment/Commercial Building/Other Organisations -reg

****

With reference to the above subject, it is to be informed that as per Budget 2025-26 assurance (Para No 415) of Government of Karnataka, the Karnataka State Pollution Control Board has assured GoKto take steps to install Online Continuous Effluent Monitoring System (OCEMS) for STP's located at the construction projects viz private residential apartment/commercial buildings/other organizations. In the first stage it is decided to insist private STP's to take steps for installation of OCEMS for STP's of capacity more than 500 KLD

Hence you are informed to take action by addressing them to install OEMS for the private STP'soperating at Residential apartment/Commercial Building/Other Organisations for STP's of capacity more than 500 KLD within **one month time**. Further you are informed to furnish the list of such private STP's located in your jurisdiction having capacity more than 500 KLD where OCEMS needs to be installed within 7 days positively

Yours faithfully

Senior Environmental Officer (A/c)
